EVENT REPORT

Webinar on Tricks and Techniques of Aptitude Test

Day: Monday

Date: 20th July 2021

Guest Speaker: Dr. D.B. Bharati

Topic: Tricks and Techniques of Aptitude Test

Platform: Google Meet

Rajgad Institute of Management Research & Development had organized a webinar on Competitive Examination Guidance. Sir explained about the types of aptitude test, what the section of the aptitude test is and how one should approach the test. He emphasized that the students must perform in all the sections to get through because someone scores 100% in math's & 10 in English then that student will not be able to clear the test, whereas if a student scores 40% in Math's & 40% in English will clear the test.

He removed all the myths about the aptitude test which students were having. The session was very much interactive and students were asking valid question which was answered well by Dr. D.B. Bharati Sir. Vote of thanks given by event coordinator.
