Grocery Donation

We students of MBA along with our teacher's faculty took some time and visited a old age home named "Mauli Seva Kendra Dhankwadi, Pune" for donation of grocery and having some time along with the members. One should take some time from our schedule and take a visit to such place to more much about a life. Visiting a old age home it not only makes them happy but also cheers us from our tension. One must also put their hand forward to help them out it whichever way possible.

Living the entire life and the blood relation of so many years and staying away from all of them is one of the hardest part of life. The plight of living in an old age home where you are forced to adjust and reside with unknown people is quite challenging. However, with the passage of time, every member of this organization lives happily and peacefully with a sense of unity among themselves.

Description of Programme:

The institute had organized a visit at Mauli Seva Kendra Dhankwadi, Pune for Grocery Donation and having some time along with the members. We made it sure that they had a free of mind moment during pandemic along with us. Hence, institute decided to donate some grocery such as Poha, Rice, Wheat, Biscuits, Oil, Sugar, Tea powder, Groundnuts and much more to the Seva Kendra for their daily needs. After giving out the grocery we also spent our some time along with them. We introduced ourselves to each other and made the environment friendly. Further with had some activities along with them such as singing, story telling (some real life experience), and ended it with some dance.

Outcome:

- The programme helped the Mauli Seva Kendra for the regular needs of the member also student got aware of such real life activities in their life are necessary.
